

2024 Health Freedom Bills

These are the current bills left over from the 2023 session. We look forward to additional health freedom bills being introduced..

BILLS IN THE SENATE

SB 12	Prevents child mutilation by medical providers
SB 20	Expands vaccine exemptions
SB 173	Allows for the purchase of over-the-counter ivermectin

BILLS IN THE HOUSE

SB 6	Restricts the KDHE from issuing orders relating to infectious diseases and quarantines
SB 233	Provides for a civil action against doctors performing gender reassignment surgeries
SB 314	Prohibits the KDHE from requiring a Covid vaccine to attend childcare or school
SB 315	Requires daycares, schools, and employers to accept religious vaccine exemptions and repeals the meningitis vaccine requirement for student housing
HB 2126	Authorizes over-the-counter ivermectin and hydroxychloroquine
HB 2161	A patient's right bill that would insure most visitation for a patient

Take Action to Protect Health Freedom!

We need new leadership in the House Health and Human Services Committee that will support health freedom legislation. Contact House leadership with a postcard asking them to appoint a new chair and vice chair to this committee. Find all the details at kshf.org/cta.
